

WHAT *kind* OF FEED DO I NEED?

I HAVE:

Adorable fluffy baby chicks (0-8 weeks) *or* ducklings (0-4 weeks)

Fermentable for beneficial probiotics

Peckable by any size beak

1 lb feed/chick *or* duckling/week

I HAVE:

Bright young chickens and ducks—they grow up so fast (8-20 weeks)

Fermentable for beneficial probiotics

Peckable by any size beak

1.5lb feed/bird/week

I HAVE:

Lovely laying chicken and duck ladies (20+ weeks)

Fermentable for beneficial probiotics

Peckable by any size beak

Less mess and easy to feed

1.75lb feed/bird/week

I HAVE:

A flock that could use a little extra nom-nom nutrition

Fermentable for beneficial probiotics

Fermented food can be fed daily.

GROWN & MADE IN NORTH AMERICA
